Pharmacy Directory

This booklet provides a list of KelseyCare Advantage's network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about KelseyCare Advantage network pharmacies in your area, please visit our Web site at www.kelseycareadvantage.com or call Member Services at (713) 442-CARE (2273), 8:00 a.m. to 8:00 p.m., seven days a week; or toll free at 1- 888-242-1009. (TTY/TDD users should call 1-866-394-7218.)

Introduction

This booklet provides a list of KelseyCare Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and KelseyCare Advantage's formulary. If you have additional questions, please call Member Services at (713) 442-CARE (2273), 8:00 a.m. to 8:00 p.m., seven days a week or toll free at 1-888-242-1009 (TTY/TDD users should call 1-866-394-7218) or, visit www.kelseycareadvantage.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by KelseyCare Advantage. In most cases, your prescriptions are covered under KelseyCare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Preferred pharmacies are pharmacies in our network in which our Plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at other network pharmacies. However, you still have access to lower drug prices at these other network pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.

RETAIL PHARMACIES

Participating retail chain pharmacies include any Costco, CVS, HEB, Kroger, Medicine Shoppe, Randall's, Sam's Club/Walmart, or Walgreens Pharmacies. Independent pharmacies are listed by county.

For full information on KelseyCare Advantage benefits, call Member Services at 713-442-CARE (2273) or 1-800-663-7146 (TTY/TDD 1-866-302-9336). Our office hours are 8 a.m.-8 p.m., seven days a week. KelseyCare Advantage is offered by KS Plan Administrators LLC, an HMO with a Medicare contract. To enroll in this plan, you must (1) be eligible for Medicare Part A and enrolled in Part B, (2) continue to pay your Part B premium if not otherwise paid for under Medicaid or by another third party, (3) live in the plan service area, and (4) not have end-stage renal disease. Benefits may change on January 1, 2010. Please contact KelseyCare Advantage for details. You may only enroll at certain times of the year. If you are enrolled in KelseyCare Advantage Essential or KelseyCare Advantage Rx and obtain routine care from out-of-network plan providers, neither Medicare nor KelseyCare Advantage will be responsible for the costs. If you have special needs, this document may be available in other formats.

You must use network pharmacies to access your prescription drug benefit, except under non-routine circumstances when you cannot reasonably use network pharmacies. You may only be enrolled in one Part D plan at a time. If you enroll in KelseyCare Advantage, you may not enroll in a PDP unless you disenroll from KelseyCare Advantage. The KelseyCare Advantage prescription drug benefit is only available to members of KelseyCare Advantage Rx or KelseyCare Advantage Rx+Choice. You may be able to get extra help to pay for your prescription drug premiums and costs.
